SKILLS

- **Python.**
- **Machine Learning**(Linear Regression, Logistic Regression, Svm).
- **Deep Learning with PyTorch and Tensorflow**(ANN, CNN, RNN).
- **Computer Vision**(ML and DL).
- **Natural Language Processing** (ML, DL and Python)

EXPERIENCE

BRAINALYST PVT.LTD, DELHI - *Intern.*

July 2021 - PRESENT

- Working with NLP and Computer Vision Problem.

PROJECT

- **Resume Screening using NLP**
([SwarupKarmokar/ResumeScreening \(github.com\)](#))
- **Digital to Sketch photo converter using opencv**
([SwarupKarmokar/digitalSketch \(github.com\)](#))
- **Security camera using opencv**
([SwarupKarmokar/SecurityCameraWithCv2 \(github.com\)](#))
- **My own assistant chatbot** ([SwarupKarmokar/chat_bot \(github.com\)](#))
- **Final year project. Face mask detection using machine learning and open-cv**([SwarupKarmokar/FaceMaskdetection \(github.com\)](#))
- **Cheak out my github for exiting ML DL NLP and OPENCV project**([SwarupKarmokar \(Swarup karmokar\) \(github.com\)](#)).

EDUCATION

Murshidabad College Of Engineering and Technology, West Bengal -
Bachelor of Technology

2017-2021

Completed my B.Tech in Computer Science and Engineering this year.

Nagar A.M. High School, West Bengal - 12th Grade.

2015-2017

Completed my 12th grade from this school in the science division.

Parulia U.S. Vidyabhaban, West Bengal - 10th Grade.

2005-2015

Completed my 10th grade from this school.

PARTICIPATION

Participate in awareness giving social activity programmes.

Active participation in a debate competition.

Active participation in various sports programme.

Runners up in quiz competition college level programme.

HOBBY

In my free time I like to do fun programming. I love to play cricket and volleyball. Cycle racing is my hobby.
